Re: ISP-PDR-20140707-00004

Dear Mr. Li:

The Department of Justice (“DOJ”), including the Federal Bureau of Investigation (“FBI”), the Department of Defense (“DOD”), and the Department of Homeland Security (“DHS”), request that the Federal Communications Commission (“Commission”) defer action on the above-referenced proceeding. DOJ, DOD, and DHS, (collectively “the USG Agencies”) are currently reviewing these matters for any national security, law enforcement, and public safety issues but have not yet completed that review. We therefore request that the Commission defer action until such time as the USG Agencies notify the Commission of the completion of their review and, based on the results of such review, request appropriate action by the Commission.

The USG Agencies will advise the Commission promptly upon completion of our review.

Thank you for your consideration.

Sincerely,

/s/ Mark G. McConnell
